

SMARTER VISION CARE™

VSP® is committed to the health and happiness of your employees. That's why we put them first, even going so far as to guarantee their satisfaction. No hassles, no excuses.

More Choice and Control

VSP Network—Your employees have the freedom to choose the provider that's right for them from up to 100,000 access points, including the largest national network of independent doctors, popular retail chains, and a convenient online option. For added convenience, 86% of VSP network doctors offer early morning, evening, and weekend appointments, as well as 24-hour access to emergency care.

IndividualEyes® by VSP—Now it's easy to offer personalized vision plan choices with simple administration for you. Add more options to your Standard plan, offer an upgrade to a Premium plan, or let every member of the family select their own upgrade at their VSP network doctor's office with **VSP EasyOptions**.

Spending Less, Getting More

Lowest Out-of-pocket Costs

Low out-of-pocket costs are **employees' #1 priority** in a vision plan¹, and VSP Plans save them hundreds of dollars on eye exams and eyewear. Plus, they get **Exclusive Member Extras** they can't get anywhere else.

Powerful Preventive Care

Since VSP network doctors are often first to detect signs of chronic conditions like diabetes, you'll enjoy substantial savings. **For every 100 employees, you can avoid \$80,274** in lost productivity and healthcare costs with VSP.²

Award-winning Service

Concierge Transition Service™—best-in-class implementation plans and turnkey member communications make VSP easy. Employees enjoy exceptional care from our world-class certified customer service team.
